Mekhi Banks

Munster, IN 46321
(708) 852 8949
mekhi.banks@ymail.com

Aspiring Software Developer with experience in front-end and back-end coding. Great collaboration, problem solving, and time management skills. I am very eager to learn and grow in this field, ready to adapt to any challenge.

EXPERIENCE

Target, Munster, IN — *Front of Store Attendant*

April 2022 - Current

Stock supplies during store open hours while being available for guests. Ability to blend problem solving and decision making to positively impact the guest experience and resolve guest concerns. Communicate and interact with guests to build an inclusive guest experience. Have shopping carts readily available to guests.

Footlocker, Chicago, IL — *Sales Associate*

August 2020 - November 2021

Prepared merchandise for the sales floor by pricing or tagging. Engage with customers to build rapport and lasting relationships. Developed, marketed, and sold a full range of products and support services.

EDUCATION

Munster High School, Munster, IN — *Diploma*

May 2021

Full Stack Engineer, Michigan State University — *Bootcamp Certificate*

January 2023
